LOCAL AREA

Menorca, in the Balearic Islands, is a peaceful, unique natural oasis, packed with contrasts to discover. It is a real paradise, washed by the Mediterranean Sea.

The island has 216 kilometers of highly varied coastline, from the rugged shores and reddish beaches of the north, to the gentle relief of the south, with golden sandy coves. There are many different options to enjoy sun and sea, whether on broad sandy beaches or at small coves surrounded by pine groves. They all have one thing in common, clean, crystal clear water. You can go sailing, windsurfing, water skiing and, of course, scuba diving here.

Menorca has the UNESCO Biosphere Reserve designation and a wealth of flora, fauna and landscapes. Outings on foot, by bike or on horseback, on the marked trails and routes, are a good way to get to know these beautiful surroundings. Another of Menorca's attractions is its archaeological and cultural heritage. Discover interesting monumental sites such as the historic old town of Ciutadella, prehistoric remains like the Naveta des Tudons Megalithic site, other prehistoric sites such as those at Mahón, and even small fishing villages that still conserve their ancient traditions.

We recommend visiting our wonderful island; we are sure that you will not be disappointed and that you will enjoy a fantastic experience.

TRAVEL

Menorca has just one airport located in Mahon, at the other end of the island, at a distance of 45 kilometers from Ciutadella.

To reach the youth hostel, you must take a bus from the airport to the town of Mahón, and then another bus from Mahón to Ciutadella. When you arrive to Ciutadella the person in charge of the hostel will pick you up at the same bus station. However, if possible, it will be attempted to pick up the participant at the same airport, depending on the day and time of arrival. It is very important that you inform us in advance of the arrival details.

What about us? Alberg Costa Brava Pirineu de Girona (ACBPG)

In the Girona region we have very different landscapes like the thick forests of Sant Joan de les Abadesses, the great spaciousness of la Vall d'en Bas, the even lake of Banyoles and the inhospitable coves of Cap de Creus.

When we travel, we like to have new experiences, discover unique hideouts and live unforgettable sensations. But sometimes, travelling and living this kind of experiences is not easy, that's why we created Alberg Costa Brava Pirineu de Girona (ACBPG), to offer all this possibilities in many different places.

From each one of our hostels, you can cycle on the Via Verda (Green Way) in Sant Joan de les Abadesses, take a walk in la Vall d'en Bas, sail in the Banyoles lake or visit different coves by kayak in Llançà.

We are part of REAJ and Hostelling International.

These are our hostels and its location (north-east of Catalonia):

The more we know our environment, the more we love our land!

You can find out more information about the association in our website:

3. Alberg de Banyoles

Banyoles has special characteristics that make the town a place with great ecological, cultural and historic interest and a source of touristic, educational and leisure resources.

The hostel, which is located in the town centre of Banyoles, has 94 beds. The town is known for its natural environment and landscape, and especially for its lake. Banyoles has also a wide range of leisure activities related to the environment, guided tours, hiking routes, a mountain bike centre, kayak and boat hire service... It is a perfect place for sports stages where you can also do many activities around the lake.

In addition, it's only fifteen minutes from Girona and Besalú, and there is a bus from Girona-Olot to Barcelona every day.

Hi-Connect Programme

During your time with Albergs CBPG, you will be involved in all aspects of hostel life. You will be a valued member of the hostel team and you will be prepared to carry out all the duties you will be involved with. You will be closely supported by staff members and you will receive a thorough induction.

You are going to stay in a dormitory room in the hostel, individual if it's possible. You will have access to all hostel facilities.

The cost of food and accommodation will be covered by Albergs CBPG. You will be provided with 3 meals per day during the exchange. All the hostels also have local stores and supermarkets.

All hostels have free Wifi and good phone reception. You will be provided with bedding and towels almost in all the hostels (ask for it before your travel).

Participants must assume the cost of transport tickets, the health insurance as well as personal expenses.

This opportunity is a fantastic way to learn and apply skills in a supportive environment. You have to be reliable, enthusiastic and capable to carry out the different tasks at the hostel. It would be advantageous if you are used to travel abroad on your own.

Please note that you must be aged 18+ to participate in the programme.

We ask participants to have a medium level of English or Spanish.
